

OUR MEDICARE EXPERIENCE

Why Choose Carenet Health to Connect With Your Medicare Population?

The Medicare population requires a distinct engagement strategy. At Carenet Health, our approach is rooted in our team's ability to form nurturing relationships with Medicare members and make meaningful—and powerful—connections. It's something we've been continually optimizing since 1988.

PROOF IN THE NUMBERS

3.2 million

Medicare lives supported across all 50 states

30+

current Medicare plan clients

3:1

ROI for most Medicare engagement and telehealth programs

1,000+

Medicare programs deployed

Medicare activation/contact conversion rate (recent four-program average)

average Medicare member satisfaction rate

JUST A FEW OF OUR CURRENT CLIENTS

EXAMPLES OF OUR PERFORMANCE RESULTS

increase in mammogram compliance for one MA plan

of screenings scheduled during one HEDIS initiative

member activation rate during one welcome call program

member reach rate for one retail-to-mail order program

increase in health risk assessment completions for one MA plan

reduction in readmission rate after one post-discharge follow-up initiative

Together, we can drive the impact your Medicare plan needs.
